Who do you want to share with?

The screenshot shows the Mahara website interface. At the top, there is a navigation bar with the Mahara logo, a search box for users, and icons for mail, user profile, and a menu. Below this is a secondary navigation bar with 'Newsletters' highlighted and links for 'About', 'Members', 'Forums', 'Pages and collections', 'Journals', 'Share', 'Report', and 'Files'. The main content area is titled 'On-Line Courses / CPD | Newsletters' and includes a 'Display page' dropdown and 'Settings', 'Edit', and 'Share' buttons. Under the 'Secret URLs' section, there is a '+ New secret URL' button and a list of URLs. The first URL is 'https://mahara.sparsholt.ac.uk/view/view.php?t=MiCvLRlebFhXrKyjx71n', with a red circle around the copy icon. Below this is a 'Share with others' section with a dropdown for 'Advanced options'. The sharing options include 'SHARED WITH' (Newsletters), 'FROM' (Everyone in group), and 'TO' (empty). A 'Share with' dropdown is also present with the text 'Who do you want to share with?'. A red circle highlights the 'Save' button in the sharing options.

Click on the copy icon ..then click save

You can then paste the link into an email .
